First Non-Febrile, Non-Traumatic Pediatric Seizure

Clinical Practice Guideline (CPG)

If Stable for Disposition to Home:

- 1) **All Patients:** a) Prescribe Diastat PR Gel for Seizures (Go to <http://www.diastat.com/pdf/dosingcard.pdf> for Diastat dosing chart), and b) Have patient/family Call Neurology Office to Confirm Outpatient Appointments: 314-577-5338
- 2) **EPIC Users:** Please send EPIC Message and template using the Smart Phrase "NEUROCLINICREFERRALNOTE" and send to both "Small, Gloria" and "Collins, Tawni" (Neurology Nurses) who will arrange all follow-up appointments and testing, and will contact patient/family
- 3) **For Non-EPIC Users:**
 - Call Access Center 1-888-229-2424 to arrange urgent outpatient follow-up appointment
 - Neurology office will arrange all out-patient testing, including EEG, and f/u appointment
